His films are often layered with historical references, socio-political commentary, and cultural dialogues, requiring viewers to engage actively with complex themes. His integration of different artistic disciplines enhances storytelling depth and invites diverse interpretative perspectives.

This non-linear approach fosters a meditative viewing experience, emphasizing mood and atmosphere over conventional plot development. It aligns with his interest in exploring memory, identity, and history as multifaceted constructs.

By disrupting traditional narrative forms, Julien invites reflection on how stories are constructed and whose voices are heard. His reimagining of narrative is both an artistic choice and a political stance—asserting the importance of marginalized histories and alternative perspectives.

Race, Identity, and Postcolonial Discourse

A central theme in Julien's work is the exploration of race and identity within postcolonial contexts. His interest in cultural memory manifests through references to colonial histories, migration, and social upheavals. By reimagining historical events and figures, he seeks to preserve marginalized stories and offer alternative narratives that critique mainstream histories. An example is *Ten Thousand Waves* (2010), which explores Chinese and Asian diasporic communities and their histories. The film's layered imagery and poetic structure function as a form of cultural remembrance, emphasizing the importance of collective memory and heritage.

Political Activism and Social Justice

Julien's film art is inherently political, aiming to raise awareness and provoke dialogue on pressing social issues. His works often highlight themes of resistance, activism, and social justice. The aesthetic grandeur of his films contrasts with their often urgent political messages, creating a powerful juxtaposition that underscores their significance. His collaborations with activist movements and his participation in public debates affirm his commitment to using art as a vehicle for change. Films like *Frequencies*
