Challenges and Considerations in Structuring a Medium Hotel

While designing the org chart, managers must navigate several challenges:

 - Balancing Hierarchy and Flexibility:** Too many layers can slow decision-making; too few may overload managers.
 - Adapting to Service Diversity:** Hotels offering unique amenities (e.g., spas, gyms, conference facilities) require additional specialized roles.
 - Cultural and Regional Factors:** Organizational norms and labor laws influence structuring decisions.
 - Technological Integration:** Incorporating modern management software can streamline reporting and communication.

Furthermore, as the hotel grows or diversifies its offerings, the org chart should be revisited and updated accordingly.
